My Dear Sir,

It seems to me important to let you know the state of Bergs & his relations to us. About six weeks ago, he wrote me a third letter stating that he was ordered again by the Bishops to the superintendence of the Liberia mission & desired to obtain, if possible a passage in one of our Vessels. I informed him that we had no vessel about to sail. When our Committee learned the receipt of this letter they directed a protest to be prepared & forwarded to the Missionary Board against his return. I alone was unfavorable to such a measure.
