Dear Sir

Jacob Dorsey of this county has a son in Africa (Josiah Dorsey by cold.) who was sent out some years ago by the Maryland Colonization Society, he has recd some letters from him in which he states he has left the station and is now in the interior with some other preaching or teaching the natives

Would you be good enough to write to me at your earliest convenience and give any information you may have of him and also let me know when you expect a vessel to sail for the colony

Jacob wishes to write to his son and is at loss to know how to send a letter he has written repeatedly but his son informs him in his last letter that he has never recd but one letter from him

My Respectfully your obt Servt Stephen J Magee
