Washington Octr 24th 1843

My Dear Sir,

Our Committee have resolved to send out a quantity of stores & goods to the Colony, & have authorized Mr McLain (who is in Richmond) to purchase some five thousand dollars. He will probably be in Baltimore in a few days. Pray can you take on freight this amount, or half of it?

The young man from Fredericksburg will not go. I suppose Herring & his family are getting ready. Nothing specially new except the Huge Colonization volume published with the Kennedys Report, by Gales & Seaton 1087 pages. I look for Bacon's second number — shall leave you to secure him

Yours truly & faithfully
