I have taken the liberty to forward to your care a small box containing some Books for the Temperance Society lately established at Monrovia — will you have the kindness to have ~~them~~ placed on board the Barque Latrobe which I perceive by the papers will sail on the 1st Nov. on the ~~Company~~ of transportation to be is paid, and the agent of the line promises to have the Box sent to you; but should it be neglected you will confer a favor by sending for it — this trouble would not have been thrown upon you had ~~their~~ been other means of securing its safe transmission — with respect
