Dr Sir

City Point Va Novr 28th 1843

I duly received your favour of the 6th Inst informing me that you had remitted to Thomas Maxfield the Sum of Fifty dollars, In doing so you have Conferred a favour upon me for which I am truly thankful, and no thing has prevented an immediate answer to your letter, and the repayment of the money, but the making an arrangement by which I am enabled to give you a check upon Baltimore for the amount advanced, also for my Subscription to the Colonization Journals I give you below a check upon the "Merchants Bank" of your City for Fifty one dollars. With regard to Mr Latrobe's visit to Richmond I cannot permit myself to doubt that the result would be favourable, and that he would accomplish the object in view; It would give me pleasure to meet him there, and to render him any assistance in my power. I have written to Bishop Johns upon the Subject since I received your letter, but regret that I have not his answer in time to communicate — Accept my best wishes for the success of the Cause in which you are engaged and for your happiness and health — Very Respectfully Yours —
