my sentiments of you, pray let what I say appear if you copy my articles - you may put in as many demonstrations as your prudenty will suggest in your own way, but let my articles have free course especially when strengthened & adorned by your name.

By the way, I wrote to Dr Hodge of Princeton to notice Kennedy's Report & look into the last Biblical Repository & see how largely you & the Cause figure. That article in that place is of great moment. Hoping soon to see you, I am ever

faithfully
yours

Dr Samuel Hall

R R Gurley

P.S. Why not send me the half dozen of your last numbers?
