My dear Doctr.

I wish you would send me a statement of the cost of conveying a settler to Cape Palmas and of establishing him there with the usual items distinct. For other uses I desire to know the actual charge which the Society incurs in the location of a colonist — the Rev. Mr Charles County is about to make a movement on the subject which I mentioned to you in a former letter — and the information which I now ask is for him. I could not give it myself with sufficient accuracy —

Very truly yrs
