My Dear Sir,

Some time ago, (before our annual meeting) I dropped you a line, expressing my desire to obtain some half dozen copies of your last Journal, containing your able article on the U States Squadron on the African Coast. I have not received them, & presume you either never saw my note, or in your pressure of your duties forgot to respond to it, or perhaps had not the numbers to spare. If you can favor me with them I may still turn them to the advantage of the cause.

With the greatest respect
Yours truly & &c
R R Gurley

Dr James Hall

The cause is evidently soon to rise into notice in Congress.
