Dear Sir

I received from your Office, some Days ago, a Package weighing 1 3/4 Ounces containing 32 printed Reports of the Maryland Colonization Society, with a Request to distribute them

This trouble I would gladly take, but as no one will pay the Postage, I beg the favor of you to instruct me if there was any understanding with you that these Reports are to be delivered as free matter

The Report is for 1842 - and without they are disseminated free, the benevolent object of the Society will be entirely frustrated

Very respectfully

Rob. Graham
