Hampden, December 3. 1894.

The Regular Monthly Meeting of the Vestry St. Mary's Church, were held this date in the Vestry room thereof: The members present at this meeting, were the following gentlemen.

Rev: Wm. C. Butler, Rector
Francis J Thompson
Giles F. Lurssey
Charles E. Miller
Thomas Harrop Sr. Warden
Edward J. Sinclair Treasurer
Jno. Spring. Jr - Register

The meeting being first opened with prayer, the Business before it: was proceeded with in due course. The Minutes of Meeting under date, Nov. 5. 1894, were read & approved. The Treasurer, submitted his Report, for months Aug. Sept. & Oct. 1894, whereupon the Chairman appointed Mess. Thompson & Harrop a Committee to audit the same. As the Treasurer inadvertently omitted bringing the Vouchers in support thereof, the Committee agreed to meet, one week from this date, for that purpose.

The Committee on Steps leading into the Church, reported progress.

The Committee on ascertainment of

prices of copper & Zinc, reported, after looking into the matter, they ascertained that copper would cost thirteen cents a square foot, & Zinc five and a half cents per square foot. ✠

The Committee on the Girls Guild reported having approached them concerning their assistance in the payment of certain Bills, but as yet, had heard nothing from them.

The Rector read a letter received from Mess. Philip Walsh & Sons, relative to the Balance of $1863.78. due on the Rectory. Mr. Sinclair moved that this matter be laid on the table, for consideration at a later hour or date, and the same carried. ✠

The Registrar reported as to the Insurance on the Organ & that the matter was about to be finally adjusted.

It was moved and seconded, that the Note held by W. Hall Harris, Esqr. about to Expire within a short period, and in order to meet such note, the Vestry agreed to advance such amount, not Exceeding One hundred & seventy five dollars, & that the Register, be instructed to open a Loan Account, upon the Church Books, & that the Vestry be refunded, in such way, as may be most satisfactory, from the
