My Dear Sir

Your favor of yesterday is rec.d And first as to the "Brown Paper Parcel" — I put it in the Letter Bag & leave the same for safe immediate delivery on arrival at Monrovia.

With regard to Mr. Williams account — I was absent until a few days before Gov. Roberts left here — And no meeting of the Committee was held except on the 19 inst. & that could only be notified in the morning of the same day: so that Gov. Roberts could not give you notice. At that meeting he mentioned your request, & the Committee desired to have you & him here on his return from Va. & I have been expecting a letter from him informing me when he would be here — but have not rec.d any. I expected him this P.M. — but cannot tell. He wants to stay here only one night — so that I do not see how we can all then meet. I am exceedingly anxious to have that, & all other old accounts settled for they trouble me with them more than I can tell.

If Gov. R. comes in the Boat & does not come here, please submit the case to him & get his written opinion on it.

Allow me to congratulate me on getting into your own house

Yours truly
W. McLain
