My Dear Sir

I have directed to you the last two numbers of the Repository. I know not why they do not reach you — as they are regularly mailed here, & the distance is not great.

I want to have our Canwood shipped by the first vessel for New York that will carry it at a reasonable rate, and consigned to Gabriel P. Disosway Esq. to whom please direct bill of lading to be sent. If I knew Mr. Wilson's first name, I would write to him & not trouble you, and I must therefore ask the favor. That you will speak the word and it will be done. Please have the goodness to let Mr. Knighton drop me a line when it sails. I have an offer of $25 pr ton if it goes first rate.

I have had an application from Mr. Morris, one of our fast friends for information &c. to take out a lot of people from near Havre de Grace, & I passed him over to you, presuming that you could accommodate them better than I can.

Yours truly,

W. McLain
