Dear Sir

In my last I informed you that the colored people now here would be in Bal this week. But hope I shall hear I wish some information. Mr Wilson informs me that they owe me 75$ each to defray their expenses &c to Cape Palmas. I have not yet received one dollar of his estate & cannot advance this money. I expect however to receive funds in say 3 or 4 weeks. Had I better wait until then or shall I send them safter they go down to Balt forward the money to you. Write me.

In haste I remain
