Dr James Hall

Dear Sir

Your favor of the 25th inst came safe to hand last evening and it affords us great pleasure to be able to supply your file of the Colonization Herald with the missing numbers, which are sent by the same mail which bears this.

I have examined our file of your Society's reports and find we have only the 4th (1836) - 5th (1837) - 6th (1838) 7th (1839) - 8th (1840) - 9th (1841) and the 10th for 1842 which were kindly presented by you to Mr Pinney, and then we need of the "Journal" No 6 of November 1841 - No 20 - January 1843 - No 21 - February - then we have the numbers up to July 1843 since which time they have been used by either Mr Pinney or our editor, so that if at your leisure you can send us the missing numbers of your Annual Reports or of the "Colonization Journal" you will confer a great favor on us.

Captain Taylor sailed from this port 10 or 12 days after Mr Pinney informed you of his being ready to sail — at least, of his willingness to take freight to our settlements if he was paid the price he asked.

I suppose your next expedition will not leave until the fall, and if you should hear of an opportunity for Liberia before the American Society's vessel, you will greatly oblige us by giving us the information. I remain Your Obt Servt
