Dr James Hall

Dear Sir

Your package of Annual reports of the M. C. S. and of the Colon^n Journal came safely to hand per Adam's Express, and for which you will please accept our thanks.

In looking over the "Journals" I find you omitted to send us No 3 for September 1843. If you can forward us the said number you will confer a great favor, as our file will then be complete and ready for binding. I suppose from the fact of your not sending us the first three Annual reports, that they were not printed or that the supply had run out.

I remain in haste
Your Obt Servant
