in the premises! Roberts says that "Capt. Buckle has given me to understand that his Govt. will not, so long as the Colony remains dependent, or subject to the Colo. Soc'ty, relinquish one foot of the ground assumed by Com. Jones."

Look at the Journal of Commerce of yesterday for some news — which we have no account of — not having rec'd a single paper. — The Gov. was anxiously awaiting some letters from us not having had any since our arr. — waiting. How important it is that we get that Packet in operation! I have gotten one gentleman here to take $1.000 of the stock, which with my $3.000 will make $4.000 in this city and I think I can get another thousand. With that here, can you not make up the balance in Balt. without any delay? — I sent you our last Repos. — Let me hear from you. — My best regards to Mrs. Hall

Yours very resp'ly
