will not Obtain One Emigrant,

If Harry Pinkit or Joe Thompson were to return to this county, perhaps they might persuade their friends to emigrate you know that when the Joshua Cornish returned we Obtained about thirty to go and I think there would be more ready for that Joshua was.

I hardly think your coming over here would be of much use either. We should be glad to see you if you feel like making us a visit any communication you may think fit to make I will be promptly attended to. by your Obedient Servant
