My dear Sir.

The Rev. L. Cutler of Brooklyn has communicated to me your very obliging offers in relation to his intended visit to Liberia: & I beg to say that the Managers Committee of the Principal Church will gladly avail themselves of them. I hope that he shall be enabled to cooperate in effort for the amelioration of the colored race.

I am anxious to despatch letters of moment to our missionaries in Africa. Do you know of any opportunity from Baltimore?

I am
with much respect
