My Dear Sir!

The Missionary Society of the M. E. Church are about sending three Missionaries to Liberia with their wives & have appointed me a Committee in connection with Dr Pitman to negotiate for passage for them. No vessel will sail this fall from this port and I am induced to write to you to ascertain if they can be accommodated with passage in your Maryland Colonization expedition in April which I suppose will as heretofore leave sail for Africa. Our Board will meet on the 15th & I will esteem it as a very great favor if you will immediately on the receipt of this inform me

1. When & from what port your vessel will sail.
2. Her name – Captain's name, & number of Emigrants.
3. Whether we can get State Rooms for 3 men & their wives – if not, how many can be accommodated
4. The price of passage to Monrovia, for each person, not including any thing but personal baggage
5. Price of freight – should we send out any.
