Dr. James Hall. Johnson St. No 60.

Dear Sir.

I received a letter on the 10 inst. from the Rev Bacon P. Irving, Sec. for Com. he informed me of a Vessel that was to sail for Cape Palmas on the 1. of Nov next, and thought perhaps I had better avail myself of this opportunity to go out, if I wished to return this fall. I immediatly sit down to ask you, being an old acquaintance if myself and children could be accommodated as Cabin passengers, and if there is any one going as such, that I could look up to, as a protector. he told me that there was a Rev Mr somebody, I could not make it out. going as a Missionary, that would accompany us I am quite anxious to go out this fall, and would feel my mind quite relieved, if I could get a line from you, as soon as you receive this. in answer to there questions, whether I could be accommodated as mentioned above, with suitable company, an agreeable Captain, being a lone Widow that need protection. If I should conclude to go, it is probable that the Rev Mr Irving will inform you as early as possible.

I must just thank you for the kind letter I received from you some time since, respecting

Rev. Mr Irving
