My Dear Sir.

The Foreign Committee have recently appointed the Revd Mr Pepinger of Phila. a Missionary of the Episcopal Church at Cape Palmas: & this gentleman is now looking for an opportunity to go out. I do not know whether he can be ready by the 1st Nov, but I write to ask whether Your Ship to sail on that day can furnish him comfortable accommodations, should he be prepared to depart.

I have also stated the wish of the Committee to find a suitable opportunity for a very worthy coloured woman who has long been employed in the Mission, Mrs M. Thomson. It occurs to me that possibly it may be inconvenient to land her out in the same ship with emigrants as she would want a calm passage. This is my own opinion - If however no objection seems
