Dr. Sir

Dr. James Hall
Agent Col. Soc.
Baltimore.

Mitchin Rooms
New York. Octo 18 1845.

My dear Sir,

I have yet see a copy of the resolution of your board, which please accept my thanks.

The delay in the departure of your vessel is rather a convenience to me than a disappointment. For it will give Mr Mesinger, who has yet been appointed, time to make necessary preparations. I do not think he can possibly get ready before the 15th Nov. You may then depend on him as a passenger — but I am inclined to think that you had better make your arrangements without reference to Mrs Hunton. I know that there might be difficulties about securing her a cabin passage.

I am very truly yours
Pierce T. Jones
Sec. for Colon.
