Wiston, Md. 29th Octr. 1845 -

My friend,

I am glad to learn from your letter of the 29th that you have been able to fix on a day for the sailing of your emigrants -

My father appropriated $75 each for his servants ($225 for the 3) as an outfit. I fear I will not be able to accompany them to Baltimore to procure for them the necessary articles.

Will you be so good as to inform me whether if I send you a check for the amt. if you can attend to their necessary supplies or get some competent person to do so: and also whether I had not best send them with their baggage on the 10th of Nov. so that there may be time to provide for them. I will thank you for a reply by the return of the mail.

Your's respectfully,
C. W. Meredith
