James St No 60 Oct 1845

Dr James Hall.

Dear Sir

I received your letter on the 28 inst. and should have answered it immediately, but wished to hear from Mr Irving, as he promised to write as soon as he heard, so that I could answer you fully about the baggage. he thinks as there is no state rooms, and no accommodations for Ladies, that I will find it rather inconvenient, and as they have appointed another ordained Missionary for Mr Vaughan, that it will be better for me to wait untill spring.

I am sorry if I have given you any trouble, and should not have written, had he not encouraged me to avail myself of this opportunity.

I thank you for the information you gave me, and hope your Vessel will be favored with pleasant breezes, and quickly speed her way over to the Colony of Cape Palmas a place that is very dear to me.

Yours truly
E M Thomson

PS I shall send a box of letters which I should like to go by
