Dr James Hall

Dr Sir

Yours of the 28th inst came this moment to hand, for your attention, I thank you kindly & herewith inclose you $10 to expend in tobacco or whatever else you think proper for the benefit of Peter and his brother James Briscoe. To be entrusted chiefly to Peter Briscoe, who is from his own account a pious man, & has paid me more respect than any of my father's servants who have emigrated to Africa. Peter may give James the half, or the third, as he may choose, after selling & receiving the proceeds of the tobacco. These wishes you will of course communicate, & for your kind attention to this business, please accept the best wishes for your own & the prosperity of the good cause in which you are engaged. Your friend &

Humble Servt
