Dear Sir

The Rev. Mr Irving of N. York informs me that a passage has been engaged for me to Cape Palmas, on board the big Kent, to sail on the 15th, & desires me to inform you whether I shall have any thing to take with me beside personal baggage. In answer I would say that I shall have several boxes, barrels, bales &c. probably amounting to something more than 20, which I will endeavor to have in readiness to ship by the 12th or 13th of the month.
