James Hall Esq

Your favour is at hand it is very uncertain if my Father return to the coast at present. but to see or hear from a Member I have already there. if there is not any vessel going soon from your city. I should recommend your sending those articles to the care of Messr Boynton & Perkins, Boston, presume they will have a vessel up ere long. if I should send one I would cheerfully send to Boston & take the packages on board & deliver them as directed. in the meantime ~~should~~ I trust of any opportunity will advise you at once, but think it advisable to have the goods ready they could be taken on board at short notice Messr B & P would be good people to have them with. Yours
