Dr Hall

Dear Sir

I have just returned from my excursion in Delaware & found your favor of the 8th inst in the Office. Tomorrow morning I have to leave for N. York whence I shall return on the following day, & on Thursday afternoon I propose to start for Baltimore where I shall arrive early in the following day. By that time I expect my goods will all be there ready for shipment I do not see that it will be possible for me to be there sooner to attend to them. I hope that they may be got on board without difficulty as late as Friday. I should be sorry not to go by the vessel now after having all the arrangements made, & am exerting myself to the utmost to be there at the time specified, which I hope & trust to be able to accomplish although extremely pressed.

Yours in great haste
