To Dr Jos. Hall

Honored Sir

I forward you herein the amount of expenses that incurred by me for the last three month beginning from the first of August. Excepting the 13 Dollars for tuition. that should have been placed in the first account. The month of July is not included in the former account nor in this as it would have caused disarrangement in the succeeding accounts the amt of expenses for that month was $11.94 and was paid by Mr Hubbard before I left Windsor for Hanover.
