Boston Nov. 19. 1845

Friend Hall

Dear Sir.

Your favor of the 17th inst. is at hand, & in compliance with your request I have seen Capts. Hunt & Boynton & Perkins. Capt. Hunt expects to sail on Monday or Tuesday next but cannot take any freight for you. The Vessel has a full Cargo, Capt. H. will, however, take any books or papers for you with pleasure, if you can get them here in season. He says he should have written you before now but has been, & still is, hurried in his hands. He desired me to say to you that he had received a letter from Gov. Roberts under date Sept. 20th all well at Cape Palmas.

Brookhouse had a Vessel arrive a few days since with full Cargo of Palm Oil.

Boynton & Perkins have no other Vessel going to Africa for several months.

We wrote you on the 14th inst. on Palm Oil business which has been in suspense you have received before this. Yours Respectfully

Wm. Richards for Wm. Fowler & Co.

I have the very sad intelligence to give you — have quite freely spoken of the death of Mr. Christmas & Son in Charleston —
