Wm. Lotty's receipt to Mr. Moore for $5 — this is the same sum he gave Lotty for the purpose of taking her to Liberia. Mr. Moore's letter follows of a very pathetic character. The also gives Lotty's receipt for the money.

Newton, Md. 20th Nov. 1845 –

My friend,

I thank you for your early information of the sailing of the vessel – I am sorry Lotty was so obstinate and she did not take your advice. But great allowance must be made for a female and especially when ignorant. I am truly rejoiced that she is on the way to the land certainly destined by Omnipotence to be the home of the col.d race in his due time –

As evidence of the payt. of the legacy left by my good father to those people is essential to me in the settlement of my account as Ex.r I will thank you to furnish me with the certificate I desired – It may be dated the 15th & then could say that "this day shipped &c." I hope you will put the seal of the Society to it as that will be essential to enable me to have it passed the court – Please send it up inclosed as soon ~~soo~~ as your convenience admits – I should be pleased to know the number of emigrants that went out as neither your letter nor the notice in the papers give that fact – Allow me to thank you for the trouble you took off my hands –

Yours Sincerely, C. M. Moore.
