Easton, Md. 24th Nov. 1845.

My friend,

I rec.d, on Sat., your favor, with the rough certificate I had drawn, inclosed. I hope you will pardon me for again troubling you on that subject. That certificate was so rough & the seal so indistinct besides being defaced by the word *Seal* which I had written, that I did not think it decorous either, to Dr. Hall or the court to present it as a voucher and therefore inclose another which you will do me the favor to execute and return to me, unless indeed, as I should prefer, you can get another drawn by Mr. Knighton in place of it.

Accept of my thanks for your heretofore prompt & kind attention.

If convenient I should like be informed of the number of emigrants in the Kent.

Your's sincerely,

C. N. Nevin.

You will see by the inclosed that the certificate sent to me is now of no avail.
