Cape Palmas Harper January 2nd 1846

Dear Sir

The reason that I have not written to you long since was in consequence of the business not having been settled to the satisfaction of the heirs. but since it has been settled to our satisfaction

We would wish to know how the rent is whether it is collected regularly or not. Has Thomas Lawders sales been collected or the amount due by Daniel Ramsey Sarah Collard Langley the reason that we ask this question is because the heirs would like to know for it was all indorsed in one note but it should be collected seperately & the things specified that belongs to Thos Lawder the leather that was sent over here was it the money that Mr Roberts was to collect for Thos Lawder to the amt of ~~R~~ twelve dolars or was it of Mr Jas Lawders estate please answer all these questions & send us an answer as soon as possible we was much delighted with your letter Was the 25 cents persent that we was to pay was it specie or currency for there is a considerable difference it about ye difference for we have had to settle in specie on at specie rate which has caused some dissatisfaction among the heirs

Yours in behalf of the Hirs

Thos Lawder
