Mr. James Hall Esq
Colonization Office
Baltimore

Harper Jenuary 23. 1846

Dear sir

I write you a few lines to inform you how we are giting a longe in the colony; Believe that the people are doing Now better than ever they did since we settle at palmas oil seeds to be plenty full and com wood the people however in good spirit this ship write that you sent out hear has Stamp the people wonder, fully i am glad my self of to see such a man on the Shore of africa that is able to put up a vessil as this. he says he like the colony very very well indeed and concerning this tarrif law I have strive to explane to the people in my weak way and Now they see that it is for the Benifet of the colony and them self - I be lieve that Russel Macgill or well at last so as to do Bisness - i have spoke to the Governor to write to you for some spring steel this is Scarce in the colony and also for some good Stone coll and you will oblige your humble servent
