Dear Sir

In reply to yours of 3d inst, just rec'd, I give you the address of Mrs Thompson.

Mrs C. W. Thomson
care of, Deacon James Mears
Hartford.

I think we shall want from fifty to seventy barrels freight in your vessels, independent of what may be stored in Baltimore of those left behind by the Ex Fr Messenger. Should you conclude to send a vessel let me have the earliest information possible, as it will require some days to get together the various articles required by our Emigrants.

Very respectfully Yours &c
