Dr Hall

April 14th 1846

Dear Sir

I learned through the American this morning that the Brig Kent had arrived in Baltimore — If you have any directions for me please to send them to Elkton, I will be there the last of this week or the first of next.

I have seen several Colored men since I left Balt. And two or three talk of going out this fall — If the persons you expected have returned in the Brig, I think you had better send one of them up to Havre de grace to see Henry Tascar, & Mr. Ross, who speak of going — Ross is a very worthy man & would be a credit to the Colony — I shall Cross over in to Cecil this afternoon & visit as many persons as possible

Yours respectfully
James Higgins
