Dr Hall

Dear Sir

I received two letters (per brig Kent) from my protegee, a African Pets, acknowledging the receipt of 150 lbs of tobacco & expressing warm thanks for the same I take this opportunity of expressing my obligations to you for the services you rendered them personally & by suggestions One of them (Peter Briscoe) states that he had put up various articles in a "green painted box" for me, taking care this time to omit the perishable articles which defeated his object on a former occassion. As this box has not come to hand, will you do me the favour to enquire after it, & if found, send per rail road as soon as convenient,

& oblige very Respectfully yours &c
