Dr James Hall
Agt No Col Soc.

My dear Sir,

Since my last to you, advices have been rec.d from our Missionaries in Western Africa which would induce the Foreign Committee to re-appoint Mrs C M Thomson to her former station, provided she may not have entered definitively into an engagement with you to connect herself with the Col.n Society. We do not wish to interfere at all with you, & yet at the same time feel bound to offer Mrs Thomson the opportunity to return to her station with them, in case they interfere with no contract made between you & her. Will you have the kindness to inform me at once, so that I may know whether to address her or not.

Do you hear of any opportunity for Cape Palmas? I can learn of none: and am in great anxiety to procure one. The repel.n Memorial from this port will not go to Cape Palmas. Unless I can find some repel.n, I shall be obliged to take up Ohio, if I can meet with any person to join me.

Yours very respy yours
