Dr. Hall

Dear Sir

Since my return to this Shore I have seen a large number of colored persons, and ~~at~~ apparently have a good prospect for emigrants — In Chestertown, I addressed them in their own Church, And several talk of going Thomas Cuff, their preacher, & leading man, told me that I had made a very favourable impression & that some, he thought, would go. I had a large Congregation in Cecilton, And a number seem to be much interested in the Colony. To morrow night I preach to them again at Chestertow, when I hope to get some names, from there, I am going to Millington, Sudlers Cross roads, Busick's Church, Centreville, Churchhill, Easton, Thap, & Cambridge, And then to Baltimore — I do not expect to get home before the 5th of June — They Colored people here are anxious to see one of the Colonists, And if Scotland Could visit this place he would do good — he Could Come over in a packet-Hand at Fredericktown, 3 miles from this, where he could procure A Conveyance here, or he might walk If you were to send him to the Care of Dr Roberts he would take good Care of him & introduce him to Jones A prominent Colored man in this Neighbourhood — Yours & J Higgins
