may the 26 1846 to dolhter hall ''''

Sir i take this fawrl Bul opportinity to in
form you how i am giting a long i had the pen
very Bad But thanks B to god that I
hav got well of it I bomenb mark the 23
of March 1846 and may the 26 I hav mettee
I thiwd of the fram don and if I should
Lest I shall By the rest of Sptem Ber next 1846
finish hay all that is ther | dolhter hall Sir I
shold like to come to Battimore
in ber one time that is Let the Colard
pepel see what can B don in
Afriba if sir I may to bom
to Battimore on more and thn I am don
give me afriba for ever | dolhter send the
word and i will Bring Battimore
for if you never Tost a Colard man
you never now what he can do
now all the Lytin Like this
Skoner well | dolhter plas from
Send me good wattle that will keep good
time at Sea and send me a good a radent
and a good bomen the bompes Bilonges to the
Skoner and the ethers B long to me
hang them to my dolhter may hav git a
wit naugh and Let bome ace
time then I shall B Lated fro
magin Bilon if my nam and I must men
men of Sens that bom Start a the Lead
and then Afriba will Rise | dolhter the
best of timber that i ever saw fo Bildin all my
Life it grow in shape of any thing you want
A But a well my bompremenb to you all
