Monrovia July 14th 1848

Dr James Hall,

Very Dr Sir,

My Bro. in New York wrote me per Packet informing me that he sent by Express to Balt a small Box and more than 2 Pk in cents, containing Books & a few other articles from friends, (the Box was directed to the Col. Rooms to the care of Dr James Hall) I will thank you if you know any thing of it or have it in your possession to deliver it to Mr Hodgson who will hand you this, & take the same Box back to N.Y.

I do not know what I have done you or your Society, that you should be so unwilling to oblige me with so small a favor as forwarding the small Box above named, If you will let me know I will try to amend my ways, that I may in future share in some of the blessings that there is to be derived from the communications your line of vessel has with the U.S.

Cathy is in N.Y. & will send the Box from that place. Mrs Jenny kind regards to you — Yours &c
