Dear Sir, Annapolis Sept. 2, 1848

I wrote to you last evening enclosing a letter to Blackstone, and requesting you to send to the Steamboat Maryland for a Box & Gun which would be sent by it directed to you. This evening a friend has brought me $7.50 which she desires to be sent to him either in money or goods as I may think most advantageous - As your Packet is to sail on the 5th I have not time to do more than submit the matter to you, & ask the favour of your attention to it. It occurs to me that it will be best to buy 150 lbs. more of Tobacco - to pay you the money & ask you to enclose an order on the public Store Keeper for that quantity - The donor, a very respectable coloured woman, will call at your Room on Monday & I will send the money by her. If any other disposition of it, more advantageous to him, can be made I will be greatly obliged to you to effect it for me

Yours truly
Jno Kidder
