Dr Hall

Dear Sir

Please send over to my wife by Mr Mathews, for my family, a months salary. He knows where I live. I am now on my way to Charles, having closed up all my works in this county at Plum Point yesterday. George Cooper has consented to go to Chas. several families who are to give me an answer on my return in June. The weather has been very much against me, but severe as it has been, it has not retarded my operations. I write in haste – the mail is just closing – Hammond's mare has caught the distemper, occasioned by feeding in so many and strange troughs – she is better now. I shall finish St Marys & Charles by the 20th June. Send the money as above, as soon as you receive this. I am occupying my time altogether by visiting the emigrants.

Yours Very Truly
