Dr. J. H. B. Latrobe Esq.

Respected Sir.

Your kind favor of the fourteenth of one month past I have received to-day. and although I have not all upon hand the information that I have upon the subject of Colonization. I shall endeavor to give Africa Sons. the reasonable proofs of that Race in the Leader of Christian Morals and intelligence. one day every Liberian Bostonian City. Minister 49. Surveyor Civil Engineer President of the Republic. Truth I bearing one of the Saints when dying in Europe. My Will truth likely in my opinion. Much Sacrifice I decline the Generation I [illegible] since those of the Leadership years. I therefore take this Letter of appeal my object. I am Liberian in heart, to speak Some Literally. I am the friend of africa. I would be as much interested in any Question Relative to Cape - Palmas factor were in. as I believe the Liberia destiny was founding. I am of the opinion the Causes and effects. Why Palmas. have not increased in equal ratio with Liberia. Since the first Pioneers. impressed her Soil. with American Civilization. and the Missionary. exhibited the Merciful favor extended on the Crop. and Vice the Superstition Sons and daughters. of Idolatrous Africa. my Sons
