Cape Palmas, Ap 10/51

Dr. James Hall

Dear Sir:

In regard to the oil shipped you by this packet, I assure you, that you will find the lot a superior one. All the Windward oil from G. Sebs and Garraway has been warmed over and skimmed, and all vegetable matter thrown away.

Mr Capel has sent you nine small Camwood than I intended in the lot; but as wood is up I suppose it can be easily disposed of.

I have the honor to remain
Your Obdt. Servt.
Jno. B. Pickmann
