We have not lately been able to purchase any Palm Oil because of the wars that exist both at the windward and leeward.

I have not had sufficient time since the commencement of the year to complete our Semi Annual account, you may however look for them by the return of the Shirley.— The Inventory taken on the 31st ult., amounted to Ten Thousand eight hundred Dollars & ova. in three days more, the entire accounts will be finished.

You may expect full report of the Condition of the Colony by the next vessel.

I have the honor to remain Sir
your obedt. Servant
Samel. F. McGill.
