Document received from Dr McGill with dispatches under date of Aug. 30th 1853 & referred to in minutes of the action of a Committee of the Board of Managers Feby. 14th 1854 —

1. What disposition will be made of the territories now belonging to the Md. S. Col. Soc.?
2. What disposition will be made of the Government House, Office warehouse, Farm House and Mt. Salman Factory?
3. What of Boats and fixtures for trading?
4. In event Government farm is taken up (which I would by all means recommend) where will the indigent and paupers find employment, and means of subsistence?
5. To what extent will the Society's Agent engage in traffick with the Natives?
6. Will the Society provide teachers for Public Schools?
7. Will the Society continue the employment of Physicians to attend the Colonists generally?
8. What disposition will be made of arms, and munitions of war?
9. What becomes of the debt due by the Commonwealth to the Society?
10. What becomes of the debts due by individuals to the Society?
11. Will the Society continue their system of providing houses for immigrant other than common receptacles? The present site of Public Farm will serve very well for the erection of Receptacles. Present Receptacles will not contain over sixty persons.
12. Rice and P. Oil should always be purchased in October, Novr. and Decr. for the entire year. Can the Agent dispense with the use of Boats, and yet be able to procure enough even for consumption of immigrants?
13. Will any measures be adopted to ensure the fulfillment of all promises made by the Society to Emigrant, and to secure the faithful performance of such part thereof as are entrusted to the Agent in Africa?
