three papers, viz:—

An appointment of Mr Gibson to the Agency:

A Letter to Gov. Mc Gill to accompany the same, and referring to it: and

A private Letter to the Gov. on the same subject—

I have copies of all these papers, which I will return until the bustle of getting off the vessel is over.—

You can add in your despatches any thing you may find I have omitted, or if you want me to write any thing else, please let me know, and I will do so with pleasure — Do not forget your Letter of Instructions to our next Agent— Perhaps you had better put it in in my envelope marked "Private," with the Appointment &c—

When complete, please seal up my Letters, & forward them—

How comes on the "Powder War."— If I can assist you in any way, by my advice or suggestions, in carrying it on, I will do so with great pleasure; and beg that you will call on me for any aid I can render—

Yrs very truly
C. Howard
