Savannah - May 3d /54

Dear Sir,

I cannot hear any thing in this place about the May sailed for Africa, and fearing she may go before I know it, I think it best to send my letter for my husband, at once to you - if too late for the vessel, please forward it via England - directing to care of Rev. A. Crummell - Monrovia - I have left room for any direction you choose to add -

In great haste I remain

yrs truly Anna Payne -

Dr Jas. Hall.
