My Dear Sir

I have reached this place, & have tried to get a meeting of the State Col. Board to-day — but the earliest hour at which they can meet is 9 o'c. tomorrow — Consequently I cannot be at home before Friday. I have written to Dr. Sewall to go to Phil: & attend to receiving the emgts. & forwarding them to Baltimore — I have requested him to see & council with you as he goes on.

The Ship will reach Phil.a I presume by 11 o'c next Saturday — The Capt. promised to have their baggage put on top so that it could be taken out first — I had not time to measure it — there are about 25 boys!! — If I can do any thing to me write me to Wash.n

Yours most certainly

W. McLain
